¹ The document description for docket 201 is "Motion for Reconsideration," but the document that was filed on April 8, 2013 consisted only of page 3, a signature page. However, based on the subsequent Declaration that was also filed on April 8, 2013 (docket 202), it appears that counsel is asking this court to reconsider its March 28, 2013 Summary Disposition Order and we shall treat it as such.

² Counsel is cautioned that Rule 32(a) of the Hawaii Rules of Appellate Procedure requires the flyleaf for each separately filed document to include a three-inch top margin so as not to obstruct the electronic file stamp.
