Request Exemption from HRS 103D to
extend IBM Mainframe lease Contract
#J08160 for the Month-to-Month period
02/01/13 - 1/28/14

```

We request your approval of this Exemption from HRS 103D to extend lease of our IBM Z9 Mainframe equipment on a month-to-month basis for the period February 1, 2013 through January 31, 2014. This month to month lease extension is requested because The Judiciary is planning to do a cooperative purchase with ICSD within the coming months to lease new replacement mainframe equipment.

The current 5-year lease Contract J08160 with Sirius Computer Solutions (with all sums assigned and payable to IBM Corp. at approx. \$32,972.00/mo) ends on January 31, 2013. The proposed month-to-month pricing effective February 1, 2013 through Sirius will be as follows:

Z9 Mainframe Peripherals
\$ 8,167.00/mo.

IBM System Z9 Business Class
33,623.00/yr. (single ann. payment)

IBM Storage
ds6800
15,193.00/yr. (single ann. payment)

(Note: The above single annual payments cannot be paid on a monthly basis. However, upon completion of the cooperative purchase for our new IBM mainframe equipment, the above

An exemption from HRS 103D is
requested as it would not be
practicable nor advantageous for the
Judiciary to solicit pricing from any
other vendor (i.e. other IBM business
partner) as IBM and Sirius own the
existing equipment being leased.

Funds for this purchase are
budgeted annually through
appropriation code G-13-006-J-6320 and
G-14-006-J-6320. If there are any
questions, please contact John Fang,
Systems and Security Administration
