

**THE JUDICIARY, STATE OF HAWAII
NOTICE OF REQUEST FOR EXEMPTION
FROM HRS CHAPTER 103F**

TO: Chief Procurement Officer

FROM: Family Court/ Hawaii Zero to Three/Family Drug Court
Name of Requesting Division/Program

Pursuant to HRS § 103F -101 (a)(4) and HAR Chapter 3-141, The Judiciary requests a procurement exemption for the following:

<p>1. Title and description of health and human service(s): Parent Coaching is used to enhance visitation between biological parents and children to help to either establish or continue attachment. The goals are to: 1. Promote optimal child and protective factor development. 2. Improve family coping skills 3. Promote positive parenting and family interaction. 4. Prevent child abuse and neglect and promote feeling of safety for child.</p>	
<p>2. Provider Name and Address: Family Programs Hawaii - Keith Kuboyama 250 Vineyard Street Honolulu, Hawaii 96813</p>	<p>3. Amount of Request: Not to exceed \$36,000.00</p>
<p>4. Term of Contract From: 11/01/2015 To: 07/31/2015 Upon contract execution - 11/01/15</p>	<p>5. Prior Judiciary Procurement Exemption No. (if applicable):</p>
<p>6. Explain in detail why it is not practicable or not advantageous for the Program/Division to procure by competitive means: Family Programs Hawaii (FPH) is a unique service that teach, demonstrate, and coach parents of how to best care for their infants and toddlers. Unlike other parenting programs that are educational, cultural, or teach hands-on parenting skills, FPH models appropriate parenting behaviors and methods for attunement. FPH teaches protective factors to parents to reduce risk factors for families. The families are given opportunities to practice these skills at FPH's visitation located in Maili. FPH's visitation center will cater to Child Welfare Service (CWS) families that are from west Oahu. The location of the visitation center makes the service easily accessible for a high percentage of CWS cases in this area. Elements of Theraplay and Circle of Security are coaching models that FPH uses and there are no other programs that offer these services in west Oahu. It is not practicable and not advantageous for Hawaii Zero to Three/Family Drug Court to procure the service by competitive means since no other program coaches parents using the strategies from the models above, counsels the caregivers, counsels the biological parents to lower anxiety levels about parenting, ensures attachment between biological parents and infants/toddlers upon their family reunification, and has a visitation center on west Oahu. Four FPM trained parenting coaches will be dedicated to the families of the Hawaii Zero to Three/Family Drug Court. FPM will offer services seven days a week and at all hours for the referred families, to meet the rigorous schedules of all the parties involved.</p>	
<p>7. Describe the reason for the selection of the provider including a description of how the procedure, as much as practicable, ensured maximum fair and open competition: Family Programs Hawaii (FPH) is a unique service that teach, demonstrate, and coach parents of how to best care for their infants and toddlers. Unlike other parenting programs that are educational, cultural, or teach hands-on parenting skills, FPH models appropriate parenting behaviors and methods for attunement. FPH teaches protective factors to parents to reduce risk factors for families. The families are given opportunities to practice these skills at FPH's visitation located in Maili.
