| <p>6. Explain in detail why it is not practicable or not advantageous for the Program/Division to procure by competitive means: With regards to repairs and maintenance of State-owned elevators and whether this service should be competitively bid or handled manufacturers' maintenance, extensive investigation by DAGS Central Services Division has determine that servicing by manufacturers affords the best liability protection and value for the State. The basis for this includes: a) liability issues, accountability through single sole manufacturer to protect the Judiciary exposure to liability; b) cost and parts availability, as the manufacturer has access to original parts, specifications, parts and engineering support to perform repairs and maintenance work as being the original equipment manufacturer (OEM); c) manufacturer's factory-trained technicians who have technical expertise and access to proper parts.</p> | |
| <p>7. Explain in detail, the process that will be or was utilized in selecting the vendor/contractor/service provider: Procurement exemption pursuant to HRS Sec. 103D-102(b)(4) and Chapter 3-120</p> | |
