2.1.3 Scope of Work

The scope of work encompasses the following tasks and responsibilities:

A. Service Activities (Minimum and/or mandatory tasks and responsibilities)

1. Applicants will provide a comprehensive continuum of evidence-based offender-oriented treatment services to include Substance Abuse Assessments; Substance Abuse Education; Pre-Treatment/Motivational Enhancement Services; Outpatient, Intensive Outpatient, Day and Residential Treatment; Continuing/Aftercare and Therapeutic Living Program treatment modalities, to adults with alcohol and/or other drug related problems who are ordered or directed by the court to obtain such services. Applicants may propose the whole continuum or any part of the continuum.
 - a. Substance Abuse Assessments – Substance abuse assessments shall be completed or reviewed/approved by certified substance abuse counselors, program administrators certified pursuant to Section 321-193 (10), Hawaii Revised Statutes; or individuals who hold an advanced degree in a behavioral health science. Assessments shall be completed to determine the need for substance abuse treatment and provide a recommended level of service. Assessments will take into consideration client history of substance use; bio-medical conditions and complications; emotional, behavioral or cognitive conditions and complications; readiness to change; relapse, continued use or continued problem potential and recovery/living environment. If the client is incarcerated at the time of application, the Applicant shall conduct the assessment in the institution(s) within their circuit, i.e., the state Community Correctional Center or Federal Detention Center. The Applicant must use a standardized substance abuse assessment application form as approved by the Judiciary. Assessments shall apply Diagnostic and Statistical Manual and the American Society of Addiction Medicine Patient Placement Criteria.
 - b. Assessments for First-Time Drug Offender (Act 44/2004 Legislature or HRS 706-622.5) – Substance abuse assessments by certified substance abuse counselors shall be completed to determine the need for substance abuse treatment and shall provide a recommendation for services/treatment. The Diagnostic and Statistical Manual, Addiction Severity Index and the American Society of Addiction Medicine Patient Placement Criteria shall be applied to the assessment. These assessments shall be used for sentencing. If the client is incarcerated at the time of the referral, the Applicant shall conduct the assessment in the institution, i.e., the state Community Correctional Center or Federal Detention Center.
 - c. Substance Abuse Education – Substance Abuse Education shall provide clients with information pertaining to the pharmacology of

substance abuse, lifestyle consequences, emotions management, coping skills and problem-solving training using cognitive behavioral techniques, treatment process, relapse prevention and abstinence maintenance training.

- d. Pre-treatment/Motivational Enhancement Services – Pre-Treatment or Motivational Enhancement Services shall provide curriculum-based activities; cognitive-behavioral strategies to challenge thoughts, attitudes and beliefs; motivational interviewing techniques; goal setting; skill development; and establishing commitment to change behavior.
- e. Outpatient Treatment – An Outpatient Treatment Program shall provide non-residential comprehensive specialized services on a scheduled basis for clients with substance abuse problems. Professionally directed evaluation, treatment, case management and recovery services shall be provided to clients with less problematic substance abuse related behavior than would be found in a Residential or Day treatment program.

An Outpatient Program shall provide between one (1) and eight (8) hours per client per week of face to face treatment with a minimum of one (1) individual counseling session per month.

- f. Intensive Outpatient Treatment – An Intensive Outpatient Program shall provide a minimum of nine (9) hours per week of skilled treatment services. Such treatment usually operates for at least three (3) or more hours per day for three (3) or more days per week. Services may include individual and group counseling, medication management, family therapy, educational groups, occupational and recreational therapy, and other therapies. Professionally directed evaluation, treatment, case management and recovery services shall be provided.

Intensive Outpatient Programs shall provide a minimum of nine (9) hours and up to a maximum of nineteen (19) hours per client per week of face to face treatment, with a minimum of one (1) individual counseling session per client per week.

- g. Day Treatment – A Day Treatment Program shall provide treatment activities offered in half-day or full-day increments, regularly scheduled for multiple sessions throughout the week. It includes a planned regimen of comprehensive outpatient treatment including professionally directed evaluation, treatment, case management, and other ancillary and special services. This level of care provides the offender with the opportunity to participate in a structured therapeutic

program while being able to remain in the community.

Day Treatment shall provide a minimum of twenty (20) hours per week of face-to-face treatment and activities with a minimum of one (1) individual counseling session per week. The other nineteen (19) hours of face-to-face activities shall include, but not limited to group counseling, education, skill building, recreational therapy and family services.

- h. Residential Treatment – A Residential Treatment Program shall provide 24 hour per day non-medical, non acute care in a residential treatment facility that provides a planned regimen of professionally directed evaluation, treatment, case management, and other ancillary and special services. Observation, monitoring and treatment are available 24 hours a day, seven (7) days a week, with minimum of one (1) individual counseling session per week with each client.

For Second Circuit: Detox-residential services can be an additional component prior to entering residential treatment if deemed appropriate and other sources of funding is not available. This is a short-term placement used to stabilize the individual. Observation, monitoring and treatment are available 24 hours a day, seven (7) days a week, with a minimum of one (1) individual counseling session per week.

- i. Continuing Care or After-Care – Continuing Care or After-Care is an organized service that shall provide treatment reinforcement services to the client who has completed treatment. Relapse prevention and recidivism prevention shall be focused on.
- j. Therapeutic Living – A Therapeutic Living Program shall provide structured residential living to individuals who are without appropriate living alternatives and who are currently receiving substance abuse treatment in a Day, Intensive Outpatient, or Outpatient treatment program, or who have been clinically discharged from residential treatment. Therapeutic Living Programs shall provide fifteen (15) hours per week of face to face therapeutic rehabilitative activities. Activities can include, but are not limited to, needs assessment, service planning, individual and group skill building and practice, referral and linkage, case management, client support and advocacy, monitoring and follow up.

The primary focus of this program is to provide the necessary support and encouragement to enable the client to complete treatment outside of a residential program, to adjust to a chemically abstinent lifestyle and to manage activities of daily living so that the individual can move

towards independent housing and life management.

For Second Circuit and Third Circuit only:

- k. Sober Living – A Sober Living Program shall provide community based living options to individuals who are without appropriate living alternatives and who are currently receiving substance abuse treatment within the community.
2. Proposals shall delineate the following:
 - a. Identification of target group(s) to be serviced by the Applicant, including any applicable admissions eligibility or exclusionary criteria.
 - b. Identification and brief description of the distinguishing highlights for the evidence-based treatment model(s) to be used.
 - c. Justification for the selection of the evidence-based treatment model(s).
 - d. For Residential and Day treatment programs, the nature and amount of time the client will be involved in structured activities per week.
 - e. (1) Identification of assessment instrument(s) to be used; (2) the purpose of the instruments; and (3) how the instruments will be implemented.
 - f. Identification of training(s) to be provided to staff; the frequency of the training(s); and, supervisory oversight for quality assurance.
 - g. Identification, description and references for the curriculum to be used.
 - h. Identification of the program targets for change.
 - i. Identification of the program's completion criteria for the clinical discharge of the client.
 - j. Identification of the program's termination or discharge criteria.
 - k. Description and length of Continuing/Aftercare services.
 - l. Identification and description of a quality assurance program that involves client care and the delivery of services, the personnel who will implement the evaluation and review, and the procedures for corrective actions for problems identified.

(For those proposing to provide more than one modality of care, please describe how responses to the above listed items will differ, as applicable, across the continuum.)

- m. Provide evidence-based practice standards in the delivery services to include but not limited to cultural and gender appropriate services.
 - n. Incorporate the use of trauma informed care in the delivery of services.
3. Clients in any level of treatment shall meet the most current version of the American Society for Addiction Medicine Patient Placement Criteria (ASAM-PPC-2R) for admission, continuance and discharge and documentation shall be included in each client's clinical chart.
 4. The Applicant shall have the capability and capacity to conduct alcohol and drug testing that would include urine and/or blood.

The Applicant shall provide their written policies and procedures for such testing and shall describe the frequency and application of testing in treatment. Random and observed collection are required. The Applicant shall insure that chain of custody and confidentiality issues are addressed appropriately.

The Applicant shall identify instrumentation being utilized to conduct such testing and shall have the ability to do laboratory confirmation testing utilizing Gas Chromatography Mass Spectrometry or Liquid Chromatography Tandem Mass Spectrometry. Laboratories conducting such confirmation testing shall be Substance Abuse and Mental Health Services Administration and/or possess College of Addiction Pathologists – Forensic Urine Drug Testing certified. Confirmation testing at Limit of Quantitation levels is preferred.

Positive drug test results shall be reported immediately to the supervising agency/probation officer.

A summary of drug test results will be included in the required weekly and monthly reports for each client to drug and specialty courts.

5. Applicants shall provide written weekly progress reports for all drug or speciality court clients and/or as required by the coordinators of the respective courts. Written admission, monthly and discharge reports shall be provided to supervising probation officers. Written discharge reports shall be provided no more than ten (10) working days after a client's discharge or earlier upon request of the supervising officer, for court hearing purposes. Discharge reports shall include the dates of admission, treatment and termination; reasons for termination with explanation; discharge plans and recommendations (including recommendations for handling of client target behaviors, relapse prevention plans, possible sanctions, etc), when applicable. Applicants shall attach sample copies of report formats to be used for these purposes.

6. Programs shall notify the supervising officer or program of any prospective major change in a client's status (i.e. potential discharge or level of care change) occurring before the scheduled reporting cycle. Program staff will participate in team meetings with the Judiciary when it is determined to be in the best interest of the client's treatment and adjustment.
7. Applicants who provide Outpatient, Intensive Outpatient, Day and Residential treatment modalities shall develop and implement appropriate transition plans for each client prior to discharge. The plan shall address transition and recover issues and relapse prevention, and shall be forwarded to the supervising officer.
8. Applicants shall provide treatment transition assistance to the client in the event that treatment funding is terminated, i.e. referral to another program, referral back to the supervising officer, etc.

B. Management Requirements (minimum and/or mandatory requirements)

1. Personnel

- a. The Applicant shall possess and document knowledge, capacity, skills and experience in working with targeted population(s). Applicants shall describe the minimum qualifications for Program Director(s). The Program Director is defined as the person responsible for the overall management of the treatment program(s). The proposal shall include educational backgrounds and experience of any current program director(s).

At a minimum, Applicants shall ensure that clinical supervision over program activities is provided by certified substance abuse counselors (CSAC) or program administrators certified pursuant to Section 321-193 (10), Hawaii Revised Statutes; or hold an advanced degree in a behavioral health science, with at least one year experience working in the field of substance abuse addiction.

However, non-CSAC or non-master's level providers may be utilized as long as they are directly supervised by a CSAC or Master's level counselor, and are working toward certification.

Applicants shall describe its program for increasing clinical staff competencies in the acquisition of evidence-based, offender-oriented treatment. 2.2.3 Scope of Work

The scope of work encompasses the following tasks and responsibilities:

- A. Service Activities (Minimum and/or mandatory tasks and responsibilities)**
1. The applicant shall provide assessment services that follow the guidelines set forth by SOMT. The comprehensive evaluation reports will summarize the results of assessments conducted upon sex offenders. Components to be summarized include: a) a clinical interview; b) history; c) psychometric testing; d) penile plethysmograph testing or Abel Assessment; and e) polygraph examination.
 2. The applicant shall provide sex offender treatment that follows the guidelines set forth by the SOMT. The treatment curriculum will combine Relapse Prevention, Behavior Modification, and Psychological components to sex offenders in groups consisting of no more than twelve. The goal of treatment is to increase the sex offenders' coping skills to

manage their impulses to sexually assault.

3. New guidelines for the assessment and treatment of sex offenders may be developed by SOMT during the course of the contract and will be implemented upon negotiation to the satisfaction of both the contracting agency and the applicant.
4. Applicants shall incorporate evidence-based practices in sex offender treatment services by utilizing validated risk assessment instruments and effective interventions that target risk factors, criminogenic needs, and responsivity, such as motivational interviewing, cognitive behavioral therapy, and skill training with directed practice.
5. Applicants must be willing to undergo a program assessment and/or audit and develop an action plan to address corrective actions to improve identified areas.

The nature and scope of the services to be provided shall be performed in accordance with established clinical principles, clinical practices, and clinical ethics.

B. Management Requirements (Minimum and/or mandatory requirements)

1. Personnel

- a. The applicant shall possess and document knowledge, capacity, skills, and experience in working with the targeted population.

Applicants shall describe its program for increasing clinical staff competencies in sex offense specific treatment and the acquisition of evidence-based, offender-oriented treatment. At a minimum, applicants shall demonstrate how direct care staff will be assisted in understanding and applying the risk-need-responsivity principles in their treatment of offenders, as well as the stages of change, motivating the client toward change and behavioral treatment.

- b. The applicant shall conduct a State and Federal fingerprint- based criminal history record check for any person, including, but not limited to any officer, employee, volunteer or subcontractor, who performs work or services which necessitates close proximity to or unsupervised access to vulnerable clients such as children, disabled, and/or the elderly , or other program related vulnerable clients . In addition, the applicant will conduct a search of the State and National Sex Offender Registries, <http://sexoffenders.ehawaii.gov> (State Sex Offender Registry) and

the www.nsopr.gov (National Sex Offender Public Registry). The minimum record check will be conducted once every four years for each person, and/or at the outset of the contract period if such checks have never been conducted. Further, the applicant will ensure the continued suitability of any officer, employee, volunteer or subcontractor to work or provide services to vulnerable clients. Results of all criminal history record inquiries conducted shall be placed in the employee's or volunteer's personnel file and shall be available to Judiciary for review. The applicant further shall have a written plan for addressing any findings that result from a criminal history record check that may affect the treatment milieu (e.g. actively under the supervision of any criminal justice agency, convicted sex offenders). Prior to commencing any work or services on the contract, the applicant shall ensure that any officer, employee, volunteer or subcontractor is suitable to be performing work or services in close proximity to or with unsupervised access to children, disabled, and/or elderly clients will be of reputable and responsible character and will not pose a risk to the health, safety, security, or well-being of clients, staff and the general public.

- c. The applicant shall have on the premises at least one person currently certified in First Aid and CPR.
- d. Applicants shall maintain documentation for each employee of an initial and annual tuberculosis (TB) skin test or chest x-ray.
- e. The staff and volunteers, if used by the applicant, shall be under the supervision of the program director or his or her designee and shall, accordingly, be trained in client confidentiality issues and program quality assurance requirements.

2. Administrative

- a. The applicant shall establish and implement policies and procedures which clearly identify the target population for each type of service, the program content, and methods of service delivery.
- b. Court testimony by an Applicant representative shall be provided as needed.

3. Quality assurance and evaluation specifications

- a. The applicant shall have a quality assurance plan which identifies

the mission of the organization, what services will be provided, how they are delivered, who is qualified to deliver the services, who is eligible to receive the services, and what standards are used to assess or evaluate the quality and utilization of services.

- b. Program evaluation should reflect the documentation of the achievement of the stated goals, using tools and measures consistent with the professional standards of the disciplines involved in the delivery of services.
- c. Applicants shall agree, by contract, to be willing to undergo a program assessment and/or audit designed to assess Applicant's implementations of effective practices in working with offenders. Based on the assessment/audit report, the Applicant will develop in concert with the contracting agency, an action plan to address areas which need improvement. There should be at least one quality improvement activity completed annually.
- d. Contract compliance may be monitored by conducting site visits and reviews without prior notice.
- e. Applicants shall provide all program monitoring assessments and/or evaluation reports completed within the last two years.

4. Output and performance/outcome measurements

- a. Output: The applicant shall record unduplicated clients served. The unduplicated client count shall be recorded in the applicant's quarterly reports, culminating in a final unduplicated client count on the applicant's final report.
- b. Outcome: The applicant shall propose measurement tools by which effectiveness of the services may be determined, as well as utilize any provided by the Judiciary.

5. Reporting requirements for program and fiscal data

- a. The provider shall submit written quarterly and year-end reports summarizing output and outcome data, performance accomplishments, challenges, and actual expenditures. Quarterly reports are due 30 days after the end of the quarter. Final reports are due 45 days after the end of each fiscal year and/or at the end of the contract period, as applicable.

- b. Reports shall consist of a statement by the provider relating to the work accomplished during the reporting period and shall include statements of the nature of the work performed, identification of persons served by the provider during the reporting period, identification of any immediate problems encountered during the reporting period, and any recommendations deemed pertinent by the provider, as well as a statement of what activities are proposed to be accomplished during the next reporting period. In addition to the written progress reports, the provider, upon request, shall be required to meet with representatives of the Judiciary to discuss the progress of the work required.
- c. The provider shall, at the completion of the contract period, submit a final written report to the Judiciary. The report shall include documentation of the provider's overall effort towards meeting the program goals and objectives, to include information on the outcome(s) of quality improvement activities in which the program is engaged. Furthermore, the provider shall furnish any additional reports or information that the Judiciary may from time to time require or request.

6. Pricing or pricing methodology to be used

Pricing methodology shall be negotiated unit of service; for Second and Fifth Circuits, negotiated unit of service or fixed price. If a proposal is submitted for fixed price, the applicant shall also submit unit of service rates for each service activity.

7. Units of service and unit rate

Estimated units of service (per year)

- f. The applicant must have sufficient and relevant training and staff development. Applicant to provide verification of training and staff development plan.
- g. Applicants shall ensure that supervision over program activities and on-going training is provided to all employees and contract personnel that provide and/or supervise client services. Supervision of facilitators must include monthly documented assessment of adherence to the current Hawaii Batterers Intervention Program Standards, and quarterly monitoring of group sessions by supervisory personnel. At a minimum, applicants shall ensure that clinical supervision over BIPs facilitators is provided by someone with a graduate degree in social work, psychology, or any relevant

behavioral health field, and have had at least one year of experience working in the domestic violence or related field. All supervisory or consultant personnel shall have training and experience in working with batterers, and/or adult and child victims of domestic violence. Programs shall assist clients with resources, including those which reflect the interface of domestic violence to mental health conditions, substance abuse, post-traumatic stress disorder (PTSD), suicidal and homicidal ideation, and other areas, as indicated.

- h. Applicants shall demonstrate and describe their collaboration with other appropriate service providers, including but not limited to those providing domestic violence shelters, victim services, BIPs, domestic violence coalitions and task forces, criminal and civil justice agencies, the Judiciary, and other relevant state and national agencies and private sector organizations.

2. Administrative

The applicant shall establish and implement policies and procedures which clearly identify the target population for each type of service, the program content, curriculum, when available, and methods of service delivery.

3. Quality assurance and evaluation specifications

- a. The applicant shall have a quality assurance plan which identifies the mission of the organization, and if that mission is not specifically related to the domestic violence intervention services provided, then an appropriate “sub-mission,” i.e., what services will be provided, how they are delivered, who is qualified to deliver the services, who is eligible to receive the services, and what standards are used to assess or evaluate the quality and utilization of services.
- b. The quality assurance plan shall serve as procedural guidelines for staff, and will confer designated individuals and committees with the authority to fulfill their responsibilities in the areas of quality assurance.
- c. The quality assurance process shall serve as a source of information for parties interested in knowing how the program monitors and improves the quality of its services. Findings shall be integrated and reviewed by the quality assurance committee, and

information shall be conveyed to the program administrator and the organization's executive officer and governing body at least annually.

- d. The quality assurance system shall identify strengths and deficiencies, indicate corrective actions to be taken, validate corrections, and recognize and implement innovative, efficient, or effective methods for the purpose of overall program improvement.
- e. Program evaluation should reflect the documentation of the achievement of the stated goals of the program using tools and measures consistent with the best-practice standards of the disciplines involved in the delivery of services.
- f. Contract compliance may be monitored by conducting site visits and reviews with or without prior notice.
- g. Applicants must be willing to undergo a program assessment and/or audit and develop an action plan to address corrective actions to improve identified areas.

4. Output and performance/outcome measurements

- a. Output: The applicant shall record unduplicated clients served. The unduplicated client count shall be recorded in the applicant's quarterly reports, culminating in a final unduplicated client count on the applicant's final report.
- b. Outcome: The applicant shall indicate measurement tool(s) by which effectiveness of the services may be determined, as well as utilize the following by the Judiciary. It is strongly suggested that criteria for program completion be based on the achievement of measurable client performance outcomes rather than a participant attending a specific number of sessions. **If the percentages in the following are thought to be unreachable by the program, indicate the reasons why and present a counter proposal with justification.**
 - (1) _____percent (___%) of all clients completing batterer intervention services have remained violence free for no less than twenty (20) consecutive weeks prior to discharge. *Measured by client report, victim corroboration, review of*

police records, confirmation with probation officer, etc.

- (2) _____percent (____%) of all clients completing batterer intervention services have taken responsibility for their violent behavior; ceased to blame the victim for the violence; and recognized the adverse effects of their violent acts. *Measured by facilitator evaluation of client participation in group, completion of written assignments indicating such thinking and behavior verifiable by file records.*
- (3) One hundred percent (100%) of all clients completing batterer intervention services will complete a written individualized, practical plan to maintain non-violent behavior and will present that plan to the group for critique and feedback. *Verified by copy of plan in client file and facilitator written evaluation of the practicability of plan.*
- (4) Seventy-five percent (75%) of all clients completing batterer intervention services will improve their understanding of the nature and effects of domestic violence by 50%. *Measured by pre-post test and facilitator evaluation. Verified by test copies in client file and file records of facilitator evaluation.*
- (5) Sixty percent (60%) of all clients completing batterer intervention services will demonstrate the knowledge, skills and attitudes/values necessary for the maintenance of non-abusive behavior in intimate relationships which includes learning non-violent conflict resolution and non-aggressive communication skills. *Concepts that may be considered for measurement include: non-threatening behavior; respect; trust and support; honesty and accountability; shared responsibility; economic partnership; negotiation and fairness.) Measured by client participation/sharing in group, effectiveness in role playing; feedback to other clients; and facilitator written evaluation at program completion. Verified by curriculum content delivery dates of relevant sessions, notes in client file, group notes, etc.*
- (6) One hundred percent (100%) of all clients completing batterer interventions services will significantly increase their knowledge of the effects of domestic violence on

children. *Measured by pre-post test; client participation in group, feedback to other clients; and facilitator evaluation. Verified by curriculum content delivery dates of relevant sessions, copy of pre-post test in client file; and copy of client self and facilitator written evaluation if client file.*

- (7) Eighty percent (80%) of all clients completing batterer intervention services will demonstrate an increase in their development of empathy for others affected by their violent behavior. *Measured by participation in group; written assignments; self and facilitator evaluation. Verified by case notes and client self and facilitator written evaluation in client file.*

5. Reporting requirements for program and fiscal data

- a. The provider shall submit written quarterly and year-end reports summarizing output and outcome data, performance accomplishments, challenges, and actual expenditures. Quarterly reports are due 30 days after the end of the quarter. Final reports are due 45 days after the end of each fiscal year and/or at the end of the contract period, as applicable.
- b. Reports shall consist of a statement by the provider relating to the work accomplished during the reporting period and shall include statements of the nature of the work performed, identification of persons served by the provider during the reporting period, identification of any immediate problems encountered during the reporting period, and any recommendations deemed pertinent by the provider, as well as a statement of what activities are proposed to be accomplished during the next reporting period. In addition to the written progress reports, the provider, upon request, shall be required to meet with representatives of the Judiciary to discuss the progress of the work required.
- c. The provider shall, at the completion of the contract period, submit a final written report to the Judiciary. The report shall include documentation of the provider's overall effort towards meeting the program goals and objectives. Furthermore, the provider shall furnish any additional reports or information that the Judiciary may from time to time require or request.

6. Pricing or pricing methodology to be used

Negotiated unit of service or fixed price.

7. Units of service and unit rate

First Circuit, (Oahu):

Estimated number of referrals:

Batterers	600 – 1,500
Victims	1,000-4,000
Children/adolescents	50-300
Child Visitation/Exchange	200-800
Families (visitation/exchange)	150-400

6. The applicant shall comply with Chapter 103F, HRS Cost Principles for Purchases of Health and Human Services identified in SPO-H-201 (Effective 10/01/98), which can be found on the SPO website (See Section 5, Proposal Application Checklist, for the website address).
7. The applicant shall incorporate and demonstrate their knowledge and use of best practices/evidence-based practices in domestic violence intervention services. Best practices/evidence-based practices are defined as a body of contemporaneous empirical research findings that produce the most efficacious outcomes for persons involved in domestic violence, has literature to support the practices, is supported by national consensus, has a system for implementing and maintaining program integrity, and conformance to ethical/professional standards. Best practices/evidence-based practices should reference the use of validated domestic violence risk assessments. Applicant to include how they intend to assess risk needs and target criminogenic needs, as well as the offender's level of risk. Any instrument(s) used to conduct assessments will be identified and described. Applicant to include evidence that the program staff properly utilize proven strategies that enhance motivation to change and retention of clients in services, such as motivational interviewing.

B. Secondary purchaser participation
(Refer to §3-143-608, HAR)

After-the-fact secondary purchases will be allowed.

C. Multiple or alternate proposals
(Refer to §3-143-605, HAR)

Allowed Unallowed

D. Single or multiple contracts to be awarded
(Refer to §3-143-206, HAR)

Single Multiple Single & Multiple

Multiple contracts may be awarded if such awards are deemed to be in the best interest of the Judiciary, and will be based on the highest ranked proposals.

E. Single or multi-term contracts to be awarded

(Refer to §3-149-302, HAR)

Single term (< 2 yrs) Multi-term (> 2 yrs.)

A multi-term contract will be awarded based on a determination that it is in the best interest of the Judiciary. The initial term of the contract shall be for two (2) years. Funds are available for only the initial term of the contract. The contract may be extended for another two (2) years, subject to appropriation and availability of funds and satisfactory performance of services by provider. Execution of a contract amendment is required to extend the contract for another term. The aggregate term of the contract shall not exceed four (4) years, e.g., July 1, 2015 to June 30, 2019. If it is determined that it is not in the best interest of the Judiciary to award a multi-term contract, a single-term contract will be awarded.

2.4.3 Scope of Work

The scope of work encompasses the following tasks and responsibilities:

A. Service Activities (Minimum and/or mandatory tasks and responsibilities)

Applicant to provide curriculum that will be used in the following service activities that will be reflective of the use of evidence based, best practices. Each circuit individually reserves the right to purchase only a component of any listed service activity based on availability of funds and need.

1. Batterers Intervention Programs (BIPs). Specific domestic violence intervention services to offenders must follow the guidelines in the current “Hawaii Batterers Program Standards”. All offender programs must utilize recognized effective “best-practice” interventions based on current knowledge and research, and be presented in culturally appropriate and gender relevant ways. The proposed services must describe how identification of criminogenic risk needs will be made, and addressed in the curriculum. Batterer groups should ideally have no more than 16 to 24 participants (unless otherwise designated or approved by the circuit) and be led by facilitators of each gender.

All BIPs must include a component to address the safety of the victim. This must include an assessment of risk, with appropriate action to be taken based on such assessment, and victim contact, for the purpose of providing program information, enhancing victim safety, and referral to victim support and other services, as needed.

2. Victim Support Services. Services to adult victims of domestic violence will include but not be limited to any of the following: support counseling; preparation of restraining orders; assistance with other court related services; information and referral services regarding legal, criminal justice and other issues in domestic violence; legal assistance to include representation, preparation of temporary restraining orders and other related court actions; court advocacy, crisis counseling, outreach services,

case management, safety planning, legal services, child care; and parenting programs. Applicants shall describe their appropriate linkages to other services (i.e., substance abuse evaluation/services, mental health evaluation/ services, child welfare services, etc.).

3. Services to Children Who Experience Domestic Violence. Domestic violence intervention services designed to assist children and adolescents who have/are experiencing domestic violence in their homes, adolescents charged with HRS 709-906, abuse of family and household members, and/or adolescents involved in dating violence.

Services to children may also include supervised child visitation centers in all circuits, (the counties of Hawaii, Maui, and Kauai). Proposed services must describe the following: a) the safeguards used to provided for the safety of children and parents during visits or exchanges, b) training and minimum qualifications of staff, c) supervision of staff, and d) the provider's affiliation, or proposed affiliation, with a state and/or national supervised visitation network.

B. Management Requirements (Minimum and/or mandatory requirements)

1. Personnel

- a. The applicant shall possess and document knowledge, capacity, skills and experience in working with targeted population(s). Applicants shall provide minimum qualifications for program director(s). Program director is defined as the person responsible for the overall management of the treatment program(s). Applicant shall provide educational backgrounds and experience of any current program director(s).
- b. The applicant shall conduct a State and Federal fingerprint- based criminal history record check for any person, including, but not limited to any officer, employee, volunteer or subcontractor, who performs work or services which necessitates close proximity to or unsupervised access to vulnerable clients such as children, disabled, and/or the elderly , or other program related vulnerable clients . In addition, the applicant will conduct a search of the State and National Sex Offender Registries, <http://sexoffenders.ehawaii.gov> (State Sex Offender Registry) and the www.nsopr.gov (National Sex Offender Public Registry). The minimum record check will be conducted once every four years for each person, and/or at the outset of the contract period if such checks have never been conducted. Further, the applicant will

ensure the continued suitability of any officer, employee, volunteer or subcontractor to work or provide services to vulnerable clients. Results of all criminal history record inquiries conducted shall be placed in the employee's or volunteer's personnel file and shall be available to Judiciary for review. The applicant further shall have a written plan for addressing any findings that result from a criminal history record check that may affect the treatment milieu (e.g. actively under the supervision of any criminal justice agency, convicted sex offenders). Prior to commencing any work or services on the contract, the applicant shall ensure that any officer, employee, volunteer or subcontractor is suitable to be performing work or services in close proximity to or with unsupervised access to children, disabled, and/or elderly clients will be of reputable and responsible character and will not pose a risk to the health, safety, security, or well-being of clients, staff and the general public.

- c. The applicant shall submit organizational charts.
- d. The applicant shall have on the premises at least one person currently certified in First Aid and CPR.
- e. The staff and volunteers, if used by the applicant, shall be under the supervision of the program director or his or her designee and shall, accordingly, be trained in client confidentiality issues and program quality assurance requirements.
- f. The applicant must have sufficient and relevant training and staff development. Applicant is to provide verification of training and staff development plan.
- g. Applicants shall ensure that supervision over program activities and on-going training is provided to all employees and contract personnel that provide and/or supervise client services. Supervision of facilitators must include monthly documented assessment of adherence to the current Hawaii Batterers Intervention Program Standards, and quarterly monitoring of group sessions by supervisory personnel. At a minimum, applicants shall ensure that clinical supervision over BIPs facilitators is provided by someone with a graduate degree in social work, psychology, or any relevant behavioral health field, and have had at least one year of experience working in the domestic violence or related field. All supervisory or consultant personnel shall have training and experience in working with batterers, and/or adult and child

victims of domestic violence. Programs shall assist clients with access to resources who are knowledgeable about the interface of domestic violence to mental health conditions, substance abuse, post-traumatic stress disorder (PTSD), suicidal and homicidal ideation, and other areas, as indicated.

- h. Applicants shall demonstrate and describe their collaboration with other appropriate service providers, including but not limited to those providing domestic violence shelters, victim services, BIPs, domestic violence coalitions and task forces, criminal and civil justice agencies, the Judiciary, and other relevant state agencies and private sector organizations.

2. Administrative

The applicant shall establish and implement policies and procedures which clearly identify the target population for each type of service, the program content, and methods of service delivery.

3. Quality assurance and evaluation specifications

- a. The applicant shall have a quality assurance plan which identifies the mission of the organization, and if that mission is not specifically related to the family court domestic violence intervention services provided, then an appropriate “sub-mission,” i.e., what services will be provided, how they are delivered, who is qualified to deliver the services, who is eligible to receive the services, and what standards are used to assess or evaluate the quality and utilization of services.
- b. The quality assurance plan shall serve as procedural guidelines for staff, and will confer designated individuals and committees with the authority to fulfill their responsibilities in the areas of quality assurance.
- c. The quality assurance process shall serve as a source of information for parties interested in knowing how the program monitors and improves the quality of its services. Findings shall be integrated and reviewed by the quality assurance committee, and information shall be conveyed to the program administrator and the organization’s executive officer and governing body at least annually.

- d. The quality assurance system shall identify strengths and deficiencies, indicate corrective actions to be taken, validate corrections, and recognize and implement innovative, efficient, or effective methods for the purpose of overall program improvement.
- e. Program evaluation should reflect the documentation of the achievement of the stated goals of the program using tools and measures consistent with the best-practice standards of the disciplines involved in the delivery of services.
- f. Contract compliance may be monitored by conducting site visits and reviews without prior notice.
- g. Applicants must be willing to undergo a program assessment and/or audit and develop an action plan to address corrective actions to improve identified areas.
- h. For Second Circuit, applicants shall provide all program monitoring, assessments and/or evaluation reports completed within the last two years.

4. Output and performance/outcome measurements

- a. Output: The applicant shall record unduplicated clients served. The unduplicated client count shall be recorded in the applicant's quarterly reports, culminating in a final unduplicated client count on the applicant's final report.
- b. Outcome: The applicant shall indicate measurement tool(s) by which effectiveness of the services may be determined, as well as utilize the following by the Judiciary. It is strongly suggested that criteria for program completion be based on the achievement of measurable client performance outcomes rather than a participant attending a specific number of sessions. **If the percentages in the following are thought to be unreachable by the program, indicate the reasons why and present a counter proposal with justification.**
 - (1) _____percent (___%) of all clients completing batterer intervention services have remained violence free for no less than twenty (20) consecutive weeks prior to discharge. *Measured by client report, victim corroboration, review of*

police records, confirmation with probation officer, etc.

- (2) _____percent (____%) of all clients completing batterer intervention services have taken responsibility for their violent behavior; ceased to blame the victim for the violence; and recognized the adverse effects of their violent acts. *Measured by facilitator evaluation of client participation in group, completion of written assignments indicating such thinking and behavior verifiable by file records.*
- (3) One hundred percent (100%) of all clients completing batterer intervention services will complete a written individualized, practical plan to maintain non-violent behavior and will present that plan to the group for critique and feedback. *Verified by copy of plan in client file and facilitator written evaluation of the practicability of plan.*
- (4) Seventy-five percent (75%) of all clients completing batterer intervention services will improve their understanding of the nature and effects of domestic violence by 50%. *Measured by pre-post test and facilitator evaluation. Verified by test copies in client file and file records of facilitator evaluation.*
- (5) Sixty percent (60%) of all clients completing batterer intervention services will demonstrate the knowledge, skills and attitudes/values necessary for the maintenance of non-abusive behavior in intimate relationships which includes learning non-violent conflict resolution and non-aggressive communication skills. *Concepts that may be considered for measurement include: non-threatening behavior; respect; trust and support; honesty and accountability; shared responsibility; economic partnership; negotiation and fairness.) Measured by client participation/sharing in group, effectiveness in role playing; feedback to other clients; and facilitator written evaluation at program completion. Verified by curriculum content delivery dates of relevant sessions, notes in client file, group notes, etc.*
- (6) One hundred percent (100%) of all clients completing batterer interventions services will significantly increase their knowledge of the effects of domestic violence on

children. *Measured by pre-post test; client participation in group, feedback to other clients; and facilitator evaluation. Verified by curriculum content delivery dates of relevant sessions, copy of pre-post test in client file; and copy of client self and facilitator written evaluation if client file.*

- (7) Eighty percent (80%) of all clients completing batterer intervention services will demonstrate an increase in their development of empathy for others affected by their violent behavior. *Measured by participation in group; written assignments; self and facilitator evaluation. Verified by case notes and client self and facilitator written evaluation in client file.*

5. Reporting requirements for program and fiscal data

- a. The provider shall submit written quarterly and year-end reports summarizing output and outcome data, performance accomplishments, challenges, and actual expenditures. Quarterly reports are due 30 days after the end of the quarter. Final reports are due 45 days after the end of each fiscal year and/or at the end of the contract period, as applicable.
- b. Reports shall consist of a statement by the provider relating to the work accomplished during the reporting period and shall include statements of the nature of the work performed, identification of persons served by the provider during the reporting period, identification of any immediate problems encountered during the reporting period, and any recommendations deemed pertinent by the provider, as well as a statement of what activities are proposed to be accomplished during the next reporting period. In addition to the written progress reports, the provider, upon request, shall be required to meet with representatives of the Judiciary to discuss the progress of the work required.
- c. The provider shall, at the completion of the contract period, submit a final written report to the Judiciary. The report shall include documentation of the provider's overall effort towards meeting the program goals and objectives. Furthermore, the provider shall furnish any additional reports or information that the Judiciary may from time to time require or request.

6. Pricing or pricing methodology to be used

**2.5 SVC SPEC TITLE: Juvenile Client and Family Services
JCFRS - Residential Services**

2.5.1 Introduction

A & B. - (SEE SECTION 2.0.1)

C. Description of the goals of the service

The goal of this service is to provide a safe, nurturing environment for minors who have been ordered by the court and/or referred to participate in a residential program. Programs shall provide clients with a safe, clean, supportive, well supervised environment in which minors can develop the tools and skills needed to function in society as young adults. Services should also be reflective of the court's balanced and restorative justice philosophy, and the juvenile justice reform effort with emphasis on best practices/evidence-based practices, collaboration and cultural competency. The goals of balanced and restorative justice are accountability, competency development, and public safety.

D. Description of the target population to be served

Juveniles between the ages of 12 to 17 years who are adjudicated or non-adjudicated for law violations and/or status offenses.

E. Geographic coverage of service

First Circuit - Island of Oahu
Second Circuit - Islands of Maui, Molokai, and Lanai
Third Circuit - Island of Hawaii
Fifth Circuit - Island of Kauai

Separate proposals shall be submitted for each circuit.

F. Probable funding amounts, source, and period of availability

Probable funding amounts:

FY 2016 FY 2017 FY 2018 FY 2019

Funding amounts are not being stated at this time. Applicants should propose funding amounts in their proposals based on their best estimate of the cost of providing the services described in these specifications.

Funding source: State General Fund

Period of availability: The Judiciary intends to award a multi-term contract. The aggregate term of the contract shall not exceed four (4) years, e.g., July 1, 2015 to June 30, 2019, subject to the appropriation and availability of funds and satisfactory contract performance. Funds are available for only the initial term of the contract which is for 2 years.

2.5.2 General Requirements

A. Specific qualifications or requirements, including but not limited to licensure or accreditation

1. The applicant shall have licenses and certificates, as applicable, in accordance with federal, state and county regulations, and comply with all applicable Hawaii Administrative Rules.
2. The applicant must have demonstrated its competence or qualifications to perform the required services and shall have a minimum one year experience in the provision of services.
3. The applicant must have an accounting system, with acceptable accounting practices and standards.
4. The proposed service must meet all required state licensing or certification standards and provide assurances of fair hearing and grievance procedures for clientele, civil rights compliance, information safeguarding practices, and proof of insurance coverages as applicable. Applicants must also demonstrate a commitment to be compliant with the PREA standards.
5. The applicant shall submit in a timely manner upon request by the Judiciary, any additional information needed by the Judiciary to make a decision on the applicant's proposal. The Judiciary may request an oral discussion or presentation in support of the proposal. On-site visits may be made.
6. The applicant shall comply with the Chapter 103F, HRS Cost Principles for Purchases of Health and Human Services identified in SPO-H-201 (Effective 10/01/98), which can be found on the SPO website (see Section 5, ProposalApplication Checklist, for the website address).

B. Secondary purchaser participation

2.6.3 Scope of Work

The scope of work encompasses the following tasks and responsibilities:

A. Service Activities (Minimum and/or mandatory tasks and responsibilities)

For youth with sexually abusive behaviors, specific treatment services are needed to provide the Judiciary and the community with a comprehensive approach in dealing with juveniles who are sentenced or directed by the court to obtain such treatment. Services will include but not be limited to psychosexual/victimization trauma evaluation and treatment, individual/group/family sessions, polygraph testing for assessment and treatment purposes, psycho-educational training, and an aftercare program. Applicants must demonstrate understanding and ability to adhere to the standards and guidelines of the Sex Offender Management Team (SOMT) as well as incorporate best practices/evidence-based practices in sexually abusive behaviors intervention services with youth. Best practices/evidence-based practices are defined as a body of contemporaneous empirical research findings that produce the most effective outcomes for youth involved in sexually abusive behaviors, has literature to support the practices, is supported by national

consensus, has a system for implementing and maintaining program integrity, and conformance to ethical/professional standards.

New guidelines/standards for the assessment and treatment of youth with sexually abusive behaviors may be developed by Sex Offender Management Team (SOMT) during the course of the contract and will be implemented upon negotiation to the satisfaction of both the contracting agency and the applicant.

Services should also be reflective of the court's balanced and restorative justice philosophy and the guiding principles of Juvenile Detention Alternative Initiative (JDAI). The goals of balanced and restorative justice are accountability, competency development and public safety. The needs and interests of the offender, victim, and the community should be considered as part of the program. JDAI principles are complementary in that it can help shape and guide jurisdiction's practice through collaboration and a continuum of services that are culturally competent, relevant and accessible to the youth they serve.

Applicants shall ensure that clinical supervision over program activities and on-going training are provided.

B. Management Requirements (Minimum and/or mandatory requirements)

1. Personnel

- a. The applicant shall possess and document knowledge, capacity, skills and experience in working with the targeted population as noted in Section 2.6.3.A.
- b. The applicant shall conduct a State and Federal fingerprint- based criminal history record check for any person, including, but not limited to any officer, employee, volunteer or subcontractor, who performs work or services which necessitates close proximity to or unsupervised access to vulnerable clients such as children, disabled, and/or the elderly , or other program related vulnerable clients . In addition, the applicant will conduct a search of the State and National Sex Offender Registries, <http://sexoffenders.ehawaii.gov> (State Sex Offender Registry) and the www.nsopr.gov (National Sex Offender Public Registry). The minimum record check will be conducted once every four years for each person, and/or at the outset of the contract period if such checks have never been conducted. Further, the applicant will ensure the continued suitability of any officer, employee, volunteer or subcontractor to work or provide services to vulnerable clients. Results of all criminal history record inquiries conducted shall be

placed in the employee's or volunteer's personnel file and shall be available to Judiciary for review. The applicant further shall have a written plan for addressing any findings that result from a criminal history record check that may affect the treatment milieu (e.g. actively under the supervision of any criminal justice agency, convicted sex offenders). Prior to commencing any work or services on the contract, the applicant shall ensure that any officer, employee, volunteer or subcontractor is suitable to be performing work or services in close proximity to or with unsupervised access to children, disabled, and/or elderly clients will be of reputable and responsible character and will not pose a risk to the health, safety, security, or well-being of clients, staff and the general public.

- c. The applicant shall have on the premises at least one person currently certified in First Aid and CPR.
- d. The Applicant shall maintain documentation for each employee of an initial and annual tuberculosis (TB) skin test or chest X-ray.
- e. The staff and volunteers, if used by the applicant, shall be under the supervision of the program director or his or her designee and shall, accordingly, be trained in client confidentiality issues and program quality assurance requirements.
- f. Applicants shall describe its program for increasing clinical staff competencies in sex offense specific treatment and the acquisition of evidence-based, offender-oriented treatment. At a minimum, applicants shall demonstrate how direct care staff will be assisted in understanding and applying the risk-need-responsivity principles in their treatment of offenders, as well as the stages of change, motivating the client toward change and behavioral treatment.

2. Administrative

- a. The applicant shall establish and implement policies and procedures which clearly identify the target population for each type of service, the program content, and methods of service delivery.
- b. Court testimony by an applicant representative shall be provided as needed.

3. Quality assurance and evaluation specifications

The applicant shall have a quality assurance plan which identifies the mission of the organization, what services will be provided, how they are delivered, who is qualified to deliver the services, who is eligible to receive the services, and what standards are used to assess or evaluate the quality and utilization of services.
- b. Program evaluation should reflect the documentation of the achievement of the stated goals, using tools and measures consistent with the professional standards of the disciplines involved in the delivery of services.
- c. Applicants shall agree, by contract, to be willing to undergo a program assessment and/or audit designed to assess applicant's implementation of effective practices in working with offenders. Based on the assessment/audit report, the vendor will develop in concert with the contracting agency, an action plan to address areas which need improvement. There should be at least one quality improvement activity completed annually.
- d. Applicants shall provide all program monitoring, assessments and/or evaluation reports completed within the last two years.

4. Output and performance/outcome measurements

- a. Output: The applicant shall record unduplicated clients served. The unduplicated client count shall be recorded in the applicant's quarterly reports, culminating in a final unduplicated client count on the applicant's final report.
- b. Outcome: The applicant shall propose measurement tools by which effectiveness of the services may be determined, as well as utilize any provided by the Judiciary.

5. Reporting requirements for program and fiscal data

- a. The applicant shall submit written quarterly and year-end reports summarizing output and outcome data, performance accomplishments, challenges, and actual expenditures. Quarterly reports are due 30 days after the end of the quarter. Final reports are due 45 days after the end of each fiscal year and/or at the end of the contract period, as applicable.

- b. Reports shall consist of a statement by the provider relating to the work accomplished during the reporting period and shall include statements of the nature of the work performed, identification of persons served by the provider during the reporting period, identification of any immediate problems encountered during the reporting period, and any recommendations deemed pertinent by the provider, as well as a statement of what activities are proposed to be accomplished during the next reporting period. In addition to the written progress reports, the provider, upon request, shall be required to meet with representatives of the Judiciary to discuss the progress of the work required.
- c. The applicant shall, at the completion of the contract period, submit a final written report to the Judiciary. The report shall include documentation of the provider's overall effort towards meeting the program goals and objectives, to include information on the outcome(s) of quality improvement activities in which the program is engaged. Furthermore, the provider shall furnish any additional reports or information that the Judiciary may from time to time require or request.

6. Pricing or pricing methodology to be used

B. Management Requirements (Minimum and/or mandatory requirements)

1. Personnel

- a. The applicant shall possess and document knowledge, capacity, skills and experience in working with the targeted population.
- b. The applicant shall conduct a State and Federal fingerprint- based criminal history record check for any person, including, but not limited to any officer, employee, volunteer or subcontractor, who performs work or services which necessitates close proximity to or unsupervised access to vulnerable clients such as children, disabled, and/or the elderly , or other program related vulnerable clients . In addition, the applicant will conduct a search of the State and National Sex Offender Registries, <http://sexoffenders.ehawaii.gov> (State Sex Offender Registry) and the www.nsopr.gov (National Sex Offender Public Registry). The minimum record check will be conducted once every four years for each person, and/or at the outset of the contract period if such checks have never been conducted. Further, the applicant will ensure the continued suitability of any officer, employee, volunteer or subcontractor to work or provide services to vulnerable clients. Results of all criminal history record inquiries conducted shall be placed in the employee's or volunteer's personnel file and shall be available to Judiciary for review. The applicant further shall have a written plan for addressing any findings that result from a criminal history record check that may affect the treatment milieu (e.g. actively under the supervision of any criminal justice agency,

convicted sex offenders). Prior to commencing any work or services on the contract, the applicant shall ensure that any officer, employee, volunteer or subcontractor is suitable to be performing work or services in close proximity to or with unsupervised access to children, disabled, and/or elderly clients will be of reputable and responsible character and will not pose a risk to the health, safety, security, or well-being of clients, staff and the general public.

- c. The applicant shall have on the premises at least one person currently certified in First Aid and CPR.
- d. The staff and volunteers, if used by the applicant, shall be under the supervision of the program director or his or her designee and shall, accordingly, be trained in client confidentiality issues and program quality assurance requirements.
- e. The applicant must have sufficient and relevant training and staff development.

2. Administrative

The applicant shall establish and implement policies and procedures which clearly identify the target population for each type of service, the program content, and methods of service delivery.

3. Quality assurance and evaluation specifications

- a. The applicant shall have a quality assurance plan which identifies the mission of the organization, what services will be provided, how they are delivered, who is qualified to deliver the services, who is eligible to receive the services, and what standards are used to assess or evaluate the quality and utilization of services.
- b. Program evaluation should reflect the documentation of the achievement of the stated goals, using tools and measures consistent with the professional standards of the disciplines involved in the delivery of services.

4. Output and performance/outcome measurements

- a. Output: The applicant shall record unduplicated clients served. The unduplicated client count shall be recorded in the applicant's quarterly reports, culminating in a final unduplicated client count

on the applicant's final report.

- b. Outcome: The applicant shall propose measurement tools by which effectiveness of the services may be determined, as well as utilize any provided by the Judiciary.

5. Reporting requirements for program and fiscal data

- a. The provider shall submit written quarterly and year-end reports summarizing output and outcome data, performance accomplishments, challenges and actual expenditures. Quarterly reports are due 30 days after the end of the quarter. Final reports are due 45 days after the end of each fiscal year and/or at the end of the contract period, as applicable.
- b. Reports shall consist of a statement by the provider relating to the work accomplished during the reporting period and shall include statements of the nature of the work performed, identification of persons served by the provider during the reporting period, identification of any immediate problems encountered during the reporting period, and any recommendations deemed pertinent by the provider, as well as a statement of what activities are proposed to be accomplished during the next reporting period. In addition to the written progress reports, the provider, upon request, shall be required to meet with representatives of the Judiciary to discuss the progress of the work required.
- c. The provider shall, at the completion of the contract period, submit a final written report to the Judiciary. The report shall include documentation of the provider's overall effort towards meeting the program goals and objectives. Furthermore, the provider shall furnish any additional reports or information that the Judiciary may from time to time require or request.

6. Pricing or pricing methodology to be used

Fixed price.

**2.9 SVC SPEC TITLE: Juvenile Client and Family Services
JC125SA - Juvenile Substance Abuse Treatment Services**

2.9.1 Introduction

A. & B. - (SEE SECTION 2.0.1)

C. Description of the goals of the service

The goal of the service is to provide juvenile offenders with the skills and knowledge to effectively deal with their use of alcohol and drugs in order to eliminate re-offending behaviors. Services should also be reflective of the court's balanced and restorative justice philosophy, and the juvenile justice reform effort with emphasis on best practices/evidence-based practices, collaboration, and cultural competency. The goals of balanced and restorative justice are accountability, competency development, and public safety.

D. Description of the target population to be served

Juveniles between the ages of 12 to 17 years who are referred for law violations and status offenses and youth up to age 18 under the jurisdiction of Family Court.

E. Geographic coverage of service

Service areas include the following:

First Circuit -- Island of Oahu

Second Circuit -- Islands of Maui, Molokai, & Lanai

Fifth Circuit -- Island of Kauai

Separate proposals shall be submitted for each circuit.

F. Probable funding amounts, source, and period of availability

Probable funding amounts:

<u>FY 2016</u>	<u>FY 2017</u>	<u>FY 2018</u>	<u>FY 2019</u>
----------------	----------------	----------------	----------------

Funding amounts are not being stated at this time. Applicants should propose funding amounts in their proposals based on their best estimate of the cost of providing the services described in these specifications.

Funding source: State General Funds and Federal Funds.

Period of availability: The Judiciary intends to award a multi-term contract. The aggregate term of the contract shall not exceed four (4) years, e.g., July 1, 2015 to

June 30, 2019, subject to the appropriation and availability of funds and satisfactory contract performance. All State funds are contingent on appropriation, and all Federal funds are contingent on the awarding of grant applications. Funds are available for only the initial term of the contract which is for 2 years.

2.9.2 General Requirements

A. Specific qualifications or requirements, including but not limited to licensure or accreditation.

1. The applicant shall have licenses and certificates, as applicable, in accordance with federal, state and county regulations, and comply with all applicable Hawaii Administrative Rules.
 - a. Residential programs, in accordance with Title 11, Chapter 98, Special Treatment Facility, must have a Special Treatment Facility license at the time of application and abide by applicable administrative rules governing accreditation of substance abuse programs.

2.9.3 Scope of Work

The scope of work encompasses the following tasks and responsibilities:

A. Service Activities (Minimum and/or mandatory tasks and responsibilities)

Applicants may provide a comprehensive continuum of evidence-based offender-oriented treatment services to include Substance Abuse Assessments, Substance Abuse Education, Outpatient, Intensive Outpatient, and Residential Treatment to adolescents with alcohol and/or other drug related problems that are ordered or directed by the court to obtain such services. Clients in any level of treatment shall meet the most current version of the American Society for Addiction Medicine Patient Placement Criteria (ASAM-PPC) for admission, continuance, and discharge and documentation shall be included in the client's chart.

Applicants should also provide evidence of best practice standards in the delivery services to include but not limited to cultural and gender appropriate services. Must be

able to demonstrate the ability to incorporate trauma informed care into the delivery of services, when deemed necessary.

For the First Circuit only, a proposal for Outpatient/Intensive Outpatient service is to include substance assessments and substance abuse education as part of the program, and a separate proposal is to be submitted for Residential program. For the Second and Fifth Circuits, applicants may propose the whole continuum or any part of the continuum.

1. **Substance Abuse Assessments.** Substance abuse assessments shall be completed or reviewed/approved by certified substance abuse counselors, program administrators certified pursuant to Section 321-193 (10), Hawaii Revised Statutes; or individuals who hold an advanced degree in a behavioral health science. Assessments shall be completed to determine the need for substance abuse treatment and provide a recommended level of service. Assessments will take into consideration client history of substance use; bio-medical conditions and complications; emotional, behavioral or cognitive conditions and complications; readiness to change; relapse, continued use or continued problem potential and recovery/living environment. If the juvenile is incarcerated at the time, the Applicant shall conduct the assessment at the institution (i.e. Detention Center and/or Hawaii Youth Correctional Facility). Assessments shall apply Diagnostic and Statistical Manual and the American Society of Addiction Medicine Patient Placement Criteria.
2. **Substance Abuse Education.** Substance Abuse Education shall provide clients with information pertaining to the pharmacology of substance abuse, lifestyle consequences, emotions management, coping skills and problem-solving training using cognitive behavioral techniques, treatment process, relapse prevention and abstinence maintenance training. The alcohol education and counseling program shall be for eight (8) to ten (10) hours and may include topics on the effects of alcohol on the brain and body, legal and social consequences, triggers to using, etc. The applicant shall also provide a parent/guardian education and counseling program of not more than ten (10) hours.
3. **Outpatient/Intensive Outpatient Treatment.** Outpatient/Intensive Outpatient Treatment provides comprehensive non-residential services to adolescents with substance abuse problems. Program activities shall include professionally directed assessment, initial and updated treatment planning, crisis management plan, discharge plan, case management, individual and group counseling, substance abuse education, family counseling and support services. Services also shall include, skill building, recreational therapy, and family counseling. On-site UA testing may also be offered as an additional service.

Outpatient services shall provide between one (1) and (8) hours per client per week of face-to-face treatment, including one (1) hour of scheduled and documented individual counseling per client per month. Intensive Outpatient services shall provide nine (9) or more hours per week of face-to-face treatment

services, including one (1) hour of scheduled and documented individual counseling per client per week.

4. **Residential Program.** Residential program provides a planned regimen of professionally directed evaluation, treatment, individual and group counseling, skill building, recreational activities, family services, case management, and other ancillary and special services. Every client must have an initial treatment plan with a meeting to include all parties of the client's treatment team, updated treatment plans, crisis management plan and discharge plan. A discharge meeting with all parties of the client's treatment team shall be conducted prior to the client's planned discharge date. Observation, monitoring, and treatment are available twenty-four (24) hours a day, seven days (7) a week. Clients shall have access to a Department of Education approved appropriate grade-level academic program while in treatment. Academic programming shall be an integral part of the client's treatment plan. Programs are to have access, either as paid staff or on a consultative basis, to a licensed psychiatrist or psychologist who is trained in child development, family systems, and substance abuse treatment. The treatment services and living quarters must be separate and specific for adolescents only, with no intermingling of adults and juveniles. Services required on a long-term basis, generally for four months and up to a year.
5. Applicants shall establish and implement policies and procedures for the following:
 - a. Applicants for Outpatient/Intensive Outpatient and Residential Treatment services shall provide written weekly progress reports for all drug or specialty court clients and/or as required by the coordinators of the respective courts. Written admission, monthly and discharge reports shall be provided to supervising probation officers. Written discharge reports shall be provided no more than ten (10) working days after a client's discharge or earlier upon request of the supervising officer for court hearing purposes. Discharge reports shall include the dates of admission, treatment and termination; reasons for termination with explanation; discharge plans and recommendations (including recommendations for handling of client target behaviors, relapse prevention plans, possible sanctions, etc), when applicable. Applicants shall attach sample copies of report formats to be used for these purposes.
 - b. The applicant shall have the capability and capacity to conduct alcohol and drug testing which may include urine, blood and/or hair sampling (**Applicable for Second and Fifth Circuits only**).

The applicant shall provide their written policies and procedures for such testing and shall describe the frequency and application of testing in treatment. Random and observed collections are required. The applicant shall insure that chain of custody and confidentiality issues are addressed

appropriately. The applicant shall establish written testing, chain of custody and confidentiality procedures.

The Applicant shall identify instrumentation being utilized to conduct such testing and shall have the ability to do laboratory confirmation testing utilizing Gas Chromatography Mass Spectrometry or Liquid Chromatography Tandem Mass Spectrometry. Laboratories conducting such confirmation testing shall be Substance Abuse and Mental Health Services Administration and/or College of Addiction Pathologists – Forensic Urine Drug Testing certified. Confirmation testing at Limit of Quantitation levels is preferred.

Positive drug test results shall be reported immediately to the supervising agency/probation officer, and a summary of drug test results shall be included in the required weekly and monthly reports for each client to drug and specialty courts.

- c. Programs shall notify the supervising officer or program of any prospective major change in a client's status (i.e. potential discharge or level of care change) occurring before the scheduled reporting cycle. Program staff will participate in team meetings with the Judiciary when it is determined to be in the best interest of the client's treatment and adjustment.
- d. Applicants who provide Outpatient, Intensive Outpatient, and Residential treatment modalities shall develop and implement appropriate transition plans for each client prior to discharge with a meeting with all parties involved to come up with the transition plan. The plan shall address transition and recover issues and relapse prevention, and shall be forwarded to the supervising officer.
- e. Applicants shall provide treatment transition assistance to the client in the event that treatment funding is terminated, i.e. referral to another program, referral back to the supervising officer, etc.
- f. Both residential and outpatient programs shall collaborate with other community agencies and resources, including but not limited to health, mental health, social, educational, vocational rehabilitation, and employment services for coordination and linkages with other services as part of the continuum of care.

B. Management Requirements (Minimum and/or mandatory requirements)

1. Personnel

- a. The applicant shall possess and document knowledge, capacity, skills and experience in working with the targeted population. Applicants shall ensure that clinical supervision over program activities is provided by Hawaii State certified substance abuse counselors (CSACs) pursuant to Section 321-193 (10), Hawaii Revised Statutes; or who hold an advanced degree in behavioral health science (clinical supervision).

CSACs and individuals who hold an advanced degree in behavioral health sciences preferably shall perform the following functions; however, non-CSACs or non-Masters level providers may be utilized as long as they are directly supervised* by a CSAC or Master level counselor and are working toward certification:

- Clinical evaluation
- Treatment planning
- Individual, group, and family counseling

*Direct supervision means a minimum of one hour supervision for every seven hours of performance. This involves teaching the supervisee about each core function of a substance abuse counselor, demonstrating how each core function is accomplished, the supervisee sitting in while the supervisor performs the function, the supervisee performing the function with the supervisor present, and finally, the supervisee performing the function independently, but with review and feedback from the supervisor. In addition, supervisees shall be required to attend ADAD-approved CSAC preparatory training when available.

Applicants shall describe its program for increasing clinical staff competencies in the acquisition of evidence-based, offender-oriented treatment. At a minimum, applicants shall demonstrate how direct care staff will be assisted in understanding and applying the risk-need-responsivity principles in their treatment of offenders, as well as the stages of change, motivating the client toward change and behavioral treatment.

- b. The applicant shall conduct a State and Federal fingerprint- based criminal history record check for any person, including, but not limited to any officer, employee, volunteer or subcontractor, who performs work or services which necessitates close proximity to or unsupervised access to vulnerable clients such as children, disabled, and/or the elderly , or other program related vulnerable clients . In addition, the applicant will conduct a search of the State and National Sex Offender Registries, <http://sexoffenders.ehawaii.gov> (State Sex Offender Registry) and the www.nsopr.gov (National Sex Offender Public Registry). The minimum record check will be conducted once every four years for each person, and/or at the outset of the contract period if such checks have never been conducted. Further, the applicant will ensure the continued suitability of

any officer, employee, volunteer or subcontractor to work or provide services to vulnerable clients. Results of all criminal history record inquiries conducted shall be placed in the employee's or volunteer's personnel file and shall be available to Judiciary for review. The applicant further shall have a written plan for addressing any findings that result from a criminal history record check that may affect the treatment milieu (e.g. actively under the supervision of any criminal justice agency, convicted sex offenders). Prior to commencing any work or services on the contract, the applicant shall ensure that any officer, employee, volunteer or subcontractor is suitable to be performing work or services in close proximity to or with unsupervised access to children, disabled, and/or elderly clients will be of reputable and responsible character and will not pose a risk to the health, safety, security, or well-being of clients, staff and the general public.

- c. The applicant shall have on the premises at least one person currently certified in First Aid and CPR.
- d. The applicant shall maintain documentation for each employee of an initial and annual tuberculosis (TB) skin test or chest X-ray.
- e. The staff and volunteers, if used by the applicant, shall be under the supervision of the program director or his or her designee and shall, accordingly, be trained in client confidentiality issues and program quality assurance requirements.

2. Administrative

- a. The applicant shall establish and implement policies and procedures which clearly identify the target population for each type of service, the program content, and methods of service delivery.

3. Quality assurance and evaluation specifications

- a. The applicant shall have a quality assurance plan which identifies the mission of the organization, what services will be provided, how they are delivered, who is qualified to deliver the services, who is eligible to receive the services, and what standards are used to assess or evaluate the quality and utilization of services.
- b. Program evaluation should reflect the documentation of the achievement of the stated goals, using tools and measures consistent with the professional standards of the disciplines involved in the delivery of services.

- c. Applicants shall agree, by contract, to be willing to undergo a program assessment and/or audit designed to assess applicant's implementation of effective practices in working with offenders with substance use problems. Based on the assessment/audit report, the vendor will develop in concert with the contracting agency, an action plan to address areas which need improvement. There should be at least one quality improvement activity completed annually.
- d. Applicants shall provide all program monitoring, assessments and/or evaluation reports completed within the last two years.

4. Output and performance/outcome measurements

- a. Output: The applicant shall record unduplicated clients served. The unduplicated client count shall be recorded in the applicant's quarterly reports, culminating in a final unduplicated client count on the applicant's final report.
- b. Outcome: The applicant shall propose measurement tools by which effectiveness of the services may be determined, as well as utilize any provided by the Judiciary

5. Reporting requirements for program and fiscal data

- a. The applicant shall submit written quarterly and year-end reports summarizing output and outcome data, performance accomplishments, challenges, and actual expenditures. Quarterly reports are due 30 days after the end of the quarter. Final reports are due 45 days after the end of each fiscal year and/or at the end of the contract period, as applicable.
- b. Reports shall consist of a statement by the applicant relating to the work accomplished during the reporting period and shall include statements of the nature of the work performed, identification of persons served by the applicant during the reporting period, identification of any immediate problems encountered during the reporting period, and any recommendations deemed pertinent by the applicant, as well as a statement of what activities are proposed to be accomplished during the next reporting period. In addition to the written progress reports, the applicant, upon request, shall be required to meet with representatives of the Judiciary to discuss the progress of the work required.
- c. The applicant shall, at the completion of the contract period, submit a final written report to the Judiciary. The report shall include documentation of the applicant's overall effort towards meeting the program goals and objectives, to include information on the outcome(s) of quality improvement activities in which the program is engaged. Furthermore, the

applicant shall furnish any additional reports or information that the Judiciary may from time to time require or request.

- d. The applicant shall comply with the requirements of the statewide substance abuse treatment monitoring program established under HRS 321-192.5. The Judiciary additionally requires that all programs which provide substance abuse treatment services, whether accredited or not accredited by the Department of Health, Alcohol and Drug Abuse Division (ADAD), participate in the statewide data collection activities under the purview of ADAD

6. Pricing or pricing methodology to be used

Negotiated unit of service or fixed price.

Additionally for the Second Circuit, if a proposal is submitted for fixed price, the applicant shall also submit unit of service for each service activity including the cost for assessments conducted in-custody and in-community.

7. Units of service and unit rate

Estimated number of treatment slots (per month):

Oahu:	100	Juveniles (Outpatient)
	25	Juveniles (Outpatient for Juvenile Drug Court Program)
	2	Juveniles (Residential)
	1	Juveniles (Substance abuse education classes)

2.10.3 Scope of Work

The scope of work encompasses the following tasks and responsibilities:

A. **Service Activities (Minimum and/or mandatory tasks and responsibilities)**

Services are being requested for adjudicated juveniles for law violations and status offenses and families in the Family Drug Court:

1. **Outdoor Experience (Oahu).** An outreach counseling and tutoring program with an outdoor component. The program will provide individual, group, and family counseling sessions, after-school tutorial, crisis intervention, parenting classes, community service and possible weekend activities.
2. **Alternative Education (Oahu).** An alternative education program for youth experiencing school performance and attendance deficiencies. Services should include strength based and family focused counseling, crisis intervention, outreach services, individual and group related problem-solving activities, group socialization exercises, and recreational activities.
3. **Anger Management (Oahu).** An anger management/violence

prevention program for youth utilizing an evidence-based/best practices model.

4. **Family Intervention Services (Oahu).** Provide family intervention therapy consisting of an average of ten sessions for youth and their families participating in the Juvenile Drug Court Program. Intervention services average about 4.5 hours per week over two to three months. Family therapy will be conducted in the home, neighborhood, and other community locations depending on the family's needs. Work to support the family by participating in court appearances, meetings with systems of care, and other services as needed. This includes working in close collaboration with the courts, probation officers, church communities, medical doctors, and health facilities, residential, mental health and/or substance abuse facilities, and other organizations.
5. **Victim Impact Classes (Kauai).** An educational program to teach juvenile offenders how crime affects the victim, victim's family and the community. The classes provides victims with an opportunity to tell their personal stories to offenders about the social, emotional, physical, and financial impact of crime on their lives. Offenders have the opportunity to learn about the short and long-term trauma of victimization and develop an understanding and empathy for victims.
6. **Victim Impact and Restorative Justice (Oahu).** Restorative justice curriculum to teach juvenile offenders how crime affects the victim, victim's family and the community. The curriculum may provide victims with an opportunity to tell their personal stories to offenders about the social, emotional, physical, and financial impact of crime on their lives. Offenders have the opportunity to learn about the short and long-term trauma of victimization and develop an understanding and empathy for victims.
7. **Family Conferencing (Kauai).** Bring together the community of people who are most affected by a juvenile offender's offense or harmful behavior. The conferences are coordinated by trained facilitators. The victim, offender, and victim's and offender's families or support systems participate. All have the opportunity to speak about how the offender's actions has affected their lives. The group decides how the harm will be repaired by the offender. The conferences may occur before or after sentencing or as alternative to going through the traditional juvenile justice system.
