<p>6. Explain in detail why it is not practicable or not advantageous for the Program/Division to procure by competitive means:</p> <p>UCERA was selected because of the expertise of their members in matters impacting the DWI Court Program. We have determined that the members of UCERA are best qualified to assist the Judiciary in providing case management, evaluation and consultation services as outlined in the attached proposal from UCERA. The work relating to the DWI Court Program is significantly diverse, involving legal, evaluation, case management services and more, and the specific members of UCERA are uniquely qualified to perform all of the types of services required. Additionally, Dr. Haning attended the National Center for DWI Courts Training in March 2012 along with other members of the DWI Court Program Team and Dr. Haning and Tina Hamayasu both attended the National Association of Drug Court Professionals 21st Annual Training Conference in Washington, D.C. in July 2015. They have shown a genuine interest in the DWI Court Program and demonstrated dedication to making the program work and are well positioned to perform the services required by the DWI Court Program.</p>	
<p>7. Explain in detail, the process that will be or was utilized in selecting the vendor/contractor/service provider:</p> <p>After discussion with interested members of the DWI Court Team and Judiciary and taking into account the specific services required by the DWI Court Program and the additional training that the majority of the UCERA members received at the National Center for DWI Courts Training. The most appropriate choice for service provider was UCERA.</p>
